

The aim of the Sports and Social Club is to give Procter & Gamble employees/Associates the opportunity to join in a range of sporting and social activities.

The Club does this in two ways. First, the Club's sections form the core of its activities. Current sections are listed below with the name of the section co-ordinator who you should contact if you would like further information. You can also check out your site INTRANET page or the site S&SC Noticeboard for an up-to-date list of section owners and activities.

\* Please put a cross in the box next to the activity you are joining the S&SC for / sections you are interested in. Please email the section representatives directly should you wish to ask about a section or be added to their mailing lists.

If an activity you are interested in does not appear on the list, don't be discouraged. The S&SC Club is always interested in setting up new sections, as long as there is enough interest and the cost is reasonable. For information on how to set up a new section, please contact the **Secretary** (Sharon Tarbitt, P&G, Cobalt Park – Tarbitt.s@pg.com).

In addition to the activities of the sections, the Club also supports a series of one-off events around the year for all members to participate in. These have included wine-tasting, river boat cruises, parties and the P&G World Cup. All these events are subsidised by the Club and are enthusiastically attended.
