

THE ASSOCIATE SCHEME

To all employees who are planning their retirement

The Associate Scheme is available to all employees when they retire.

Mission Statement of the Associate Scheme

“The Associate Scheme exists to ensure that all P&G retired employees (Associates) and their spouses/partners in the British Isles have the opportunity to remain part of the company in retirement.”

The Aim of the Associate Contact Programme

“To keep in touch with former employees and those who are socially isolated”

It is a voluntary scheme managed by Mary Lawrence in Brooklands with each region having a social committee made up of associates who have volunteered their services to that end. They plan pub lunches, walks, trips and events each year.

If you want to ensure that you participate in the region’s activities as soon as you become an associate visit the website, where you find booking forms and latest versions of the magazine,

www.pgassociates.co.uk

Or, if you prefer, contact Mary Lawrence on 01932 896045, who can provide you with the latest magazine and booking forms.

Plan early to avoid disappointment since booking starts four months before some events and they are often over subscribed.
